It might not look all that fancy but I love it. This type of storage system is great for when there are very limited outlets available. Directions: Cut the panels to size using the template above. Then, with the back panel down, drill five 1/2" holes at 2" intervals through the back panel and the main panel. Attach the main panel with 3" wood screws. Repeat these steps with the two back panels. Make sure that your screws are long enough to go through the back panels and main panel. Next, attach the clips in the center of the back panels with your screws. Add the bucket and lid and you're done!
www.justice.gov.sa/v3/upload/reports/reports_w2m030702_b.pdf - The KSA has updated its Annual Report for the year ended 31 December 2006. Priority need for a more inclusive approach to democracy The very act of building a common state and a constitution will provide a legal basis for accountability, transparency and effectiveness of governance. This will be critical for the realization of the rights enshrined in the Charter. In an open letter to Dr. Gus O'Donnell, Chair of the Special Advisor's Committee on National Security, Justice, Reconstruction and Governance (SC), Dr. Meloy Aboul Fadl, Chairman of the human rights committee of the Supreme Council for Islamic Affairs, said the committee considered that: "We at SCIS "unequivocally and wholeheartedly" support freedom of expression, assembly and association in their objective of gaining freedom and justice. This will, of course, include all forms of public expression, whether political, religious, or secular and peaceful
